Plaintiff

v.

B. Curry, Et. AL
Defendants.

No. C-07-02620-SBA

Request For order
Changing Time.
Pursuant To Civil
Local Rule 6-2.

Plaintiff Abraham Tiggs, a state prisoner at the time his Civil Right Action under 42 U.S.C section 1983 was filed on may. 3, 2007., accompanied with his petition to the court to proceed in forma pauperis with an attached prison trust account Statement covering the three month period befor he filed his complaint., recieved a court order on november 14, 2007. signed and dated on november 5, 2007. by

united state district court judge Sandra B. Armstrong. directing plaintiff Tiggs to file copies of the certificate of funds and his prisoner trust account statement for the six month period immediately preceding the filing of the action on may, 3, 2007. it was so ordered for, mr. Tiggs to file said documents within 30 days of the date of the order.

Plaintiff Tiggs move for stipulated Request for order changing time. Plaintiff did not receive acknowledgment of said order until november 13, 2007. obviously due to institutional mail delivery process, and coinciding with the fact that plaintiff Tiggs will be release from state custody on november, 21, 2007. it's not possible that plaintiff Tiggs would be able to secure the court order, documents for filing within deadline period. I request the court to allow me an additional 30 days from the deadline date to file the court order document

the requested time modification would have no effect on the schedule for this case

I declare under the penalty of perjury that the foregoing is true and correct and understand that a false statement herein may result in the dismissal of my case
